

## Wisconsin

### ► Sensors

- Angular Position Sensors-Non Contact
- Linear Position Sensors
- Liquid Level Sensors
- Panel Potentiometers
- Potentiometers-Rotary and Linear
- Reed Sensors
- Rotary Position Sensors-Non Contact
- Speed Sensors-Hall Effect and VR
- Temperature Sensors

### ► Power Devices

- Chokes
- Electro-Mechanical Relays
- Inductors
- Reed Relays
- RF Coils
- Tachometers
- Toroidal Inductors
- Transformers

### ► Switches

- Pressure Switches
- Reed Switches
- Temperature Switches

### ► Vehicle Safety Solutions

- Seatbelt Systems
- High Volume and Premium Steering Wheels

### ► Molded Components

- Custom Molded Rubber and Silicon Component / Assemblies

### ► Electronics Manufacturing

- A top 50 Contract Manufacturer - RoHS Capable - Local and Global Facilities

### ► Interconnect Devices

- Test probes for in-circuit testing and automatic test equipment - hyperboloid contact system for Hi-Rel applications.

### ► Test Equipment

- Temperature Forcing Systems
- Halt / HASS Chambers
- Thermal Chambers
- V J Piping
- Cryogenic Systems

### ► Corporate Services

- Senior Executive Search

#### AI-Tek Instruments

- A full line of speed sensors, tachometers, and accessories.

ISO 9001

#### Chart Industries

- Full Turn Key HALT / HASS Chamber Systems, V J Piping and Cryogenic Supplies.

ISO 9001

#### Creation Technologies

- Top 50 EMS Manufacturer, RoHS Capable.

ISO 9001-2000

#### CST / BEI Duncan Electronics

- Rotary - Linear and Angular Position Sensors - Potentiometers

ISO 9001 / TS 16949

#### Hasco

- Electro-Mechanical Relays - Reed Relays and Reed Switches

ISO 9002

#### Index Sensors

- Temperature Sensors and Switches, Pressure Switches - Liquid Level Sensors.

#### KSS-Specialty Products Group

- Seatbelt systems and Steering wheels

#### Minco

- Flex and Rigid Flex Circuits for High Reliability Applications.

ISO 9001

#### ParkOhio Products

- Rubber - Silicone - Plastic Molded Components and Assemblies.

ISO 9001 / TS 16949

#### QA Technology

- Test Probes for in-circuit testing and automatic test equipment - hyperboloid contact system for hi-rec applications.

ISO 9001

#### Standex Electronics

- Full Line of Magnetic - Reed Sensors.

TS16949-ISO9001-2000

#### Thermonics

- Precision Temperature Forcing Systems.

#### Windale Group

- Corporate Services - Senior Executive Search
